

DEE DEE YANG

EXPERIENCE

Marine Canvas Fabricator, Compass Canvas

Point Richmond, June 2020 - Present

Design and construct marine covers for boating and residential applications through processes such as drafting templates and operating industrial sewing machines.

Import Production Assistant, Byer California

San Francisco, Feb. 2020 - May 2020

Oversaw production logistics of Missy and Petite Dresses. Communicated with various departments, such as design, merchandise, product development and oversea vendors to ensure efficient garment production and on-time delivery.

Artist and Apparel Designer

Self-employed, 2016 - present

Completed commissioned projects for clients, which included graphite portraits, oil-painted portraits, and customized garments.

Teaching Assistant

University of California, Davis, Apr 2019 – June 2019

Assisted design faculty in various design courses, ranging from introduction to advance lecture and studio courses. Facilitated class discussion, led critiques on projects, and provided additional academic support during office hours.

Kid's Design Coordinator, GAP inc./Old Navy Headquarter

San Francisco, Sept. 2016 – Aug. 2017

Organized trend research for the Kid's design team. Coordinated departmental meetings and workspaces for designers and directors. Collaborated with other Design Coordinators to develop presentations for executive team.

Sewing Lab Technician

University of California, Davis, Sept 2015 - June 2016

Maintained lab machines in the design department's sewing lab and dye lab. Enforced lab regulations to ensure a safe and clean environment for classes and the students.
